# Overview of Ministry Platform Integration

We take our ChMS integrations seriously and continually upgrade them based on church feedback.

Our desire is for the church to have the most up to date integration information possible.

Contact us today to obtain a copy of the latest overview of our Ministry Platform giving integrations.

## WHY ONLINE GIVING?

Online Giving is carefully crafted to make giving to your church easy on every device. Our cloud based giving platform is secure and infinitely scalable. Simplistic recurring and scheduled giving that is designed to boost your donation volume independent of weekly attendance. Advanced and automatic donation recording into the most popular church management platforms and exporting into nearly any other. All of the above and more that is affordable and turn key. No contracts. No setup fees. No kiosk fees. Simple monthly billing.

Founded, Designed, and Operated by Evangelical Christians. Humbly serving The Church through software and service.

**Call Today** (615) 206-4000!
