If there is anything we all know now in the church world...circles are better than rows!

*Welcome to MPUG 2019, the year of the Small Groups!*

### HERE'S HOW IT WORKS:

The TED Talks will be 20 minutes of a Presenter talking followed by 20 minutes of discussing the topic in a small group setting.  
The TED Panels will be 30 minutes with a Panel of people talking followed by 30 minutes of Q&A with the panel.

### WHY ARE THESE OFFERED MORE THAN ONCE?

We know that our Discussions and Q&As will be in high demand, so we are offering each of them twice to ensure everyone has an opportunity to attend the sessions that best suit their needs.
